1 Kenalan dengan Pronoun

Pronoun adalah kata yang menggantikan nama orang, benda, atau kelompok agar tidak disebut berulang-ulang.

Rina is my friend. Rina is kind.

Rina is my friend. She is kind.

SUBJECT

pelaku tindakan

She calls Raka.

OBJECT

penerima tindakan

Raka calls her.

Cara paling cepat membedakannya

1. Cari kata kerja. Contoh: likes.
2. Tanyakan siapa yang melakukan. Jawabannya adalah subject.
3. Tanyakan siapa atau apa yang menerima tindakan. Jawabannya adalah object.

She likes him.

She = yang menyukai | him = yang disukai

Jurus ingat: SUBJECT beraksi, OBJECT menerima aksi.

Subject Pronouns: I dan You

Subject pronoun diletakkan sebelum kata kerja karena menjadi pelaku dalam kalimat.

I

saya / aku

I play football.

YOU

kamu / kalian

You read a book.

I digunakan ketika...

Kita membicarakan diri sendiri.

I am a student.

I like chocolate.

I study English every day.

You digunakan ketika...

Kita berbicara langsung kepada satu orang atau lebih.

You are my friend.

You have a blue bag.

You speak English well.

Coba cepat! Pilih I atau you.

1. ____ am twelve years old.
2. Dita, ____ are very helpful.
3. ____ live with my parents.

3

My pencil is new. It is yellow.

Perhatikan penggantian namanya

Budi is my brother. -> He is my brother.

Salsa likes music. -> She likes music.

The cat is hungry. -> It is hungry.

Jangan tertukar!

He dan she digunakan untuk orang. It digunakan untuk satu benda atau hewan ketika jenis kelaminnya tidak perlu disebutkan.

Tebak pronoun-nya:

1. Mr. Arif -> ____ 2. My mother -> ____ 3. The bicycle -> ____

WE

kami / kita

Sinta and I study. We study.

THEY

mereka

The boys run. They run.

Kapan menggunakan we?

We digunakan ketika pembicara termasuk di dalam kelompok.
